Three divorces were granted by
Judge Lindsay Saturday. Anna
Makia Tournay was granted a decree
separating her from Makia Tournay,
whom she accused of using vulgar
and profane language toward her and
driving her out of the house.

Desertion was the plea upon which
the Judge gave Tsuchi Yanagi a di-
vorce from her husband, Kyuchi Ya-
nagi, while the ground of the com-
plaint upon which Asano Takenaka
obtained a decree of divorce from her
husband, S. Takenaka, was failure to
provide.

A collision between a hack and a
King street trolley car occurred near
the junction of King and Liliha streets
last Saturday evening. The King
street system was put out of time for
forty minutes and the occupants of
the hack, consisting of Dr. Brennan
of the Chinese hospital, and a com-
panion were spilled out on the road.

A reception will be given at Salva-
tion Army hall, King street and Nu-
uanu avenue, at 8 o'clock this evening,
to Staff Captain McAbee and Adjutant
Long, who has just arrived from San-
to to take charge of the Industrial
Home and rescue work of Honolulu.

The occasion will also be a farewell
to Adjutant Lena Anderson, who for
some years has faithfully looked here.

W. M. Minton and W. L. Howard,
as a delegation from Palolo, called
on Governor Frear Saturday to
urge upon him once more the great
need of a reservoir for the Palolo and
Kaimuki districts. The Governor,
while able to offer no definite en-
couragement, said that he would look
into the matter further and see if
anything could be done. The diffi-
culty is that there is no appropriation
for this reservoir in the Loan Fund,
and no money available from other
sources.

A report was received at the police
station Saturday to the effect that
two men had burglarized a house in
the Portuguese camp of the Kahuku
plantation. One of them had been
captured and was being taken to
town by Manager Andrew Adams in
his automobile. It was hoped that
the man might prove to be one of the
escaped prisoners, Rodriguez or Lo-
pez, but when Andrews brought the
man in, he turned out to be a Portu-
guese. He gave his name as Manuel
da Costa.

Roosevelt Highly Enthusiastic
Over Results In Philippines

WASHINGTON, D. C., Jan. 26.—President Roosevelt, in transmitting to Congress Secretary Taft's report on the Philippines, declares that America's conduct toward those islands forms the brightest page in history.

Any other policy than that pursued would have resulted in ruin. The President considers the Filipinos as being yet far from self-government.

OUIDA IS DEAD

FLORENCE, Belg. Jan. 25.—The novelist "Ouida" is dead.

Louise de la Ramee, better known as Ouida, was born at Bury Saint Edmunds, England, her father having been English and her mother French. She was chiefly known as a novelist, her works having been very numerous and having a wide circulation. For some years before her death she made her residence in Italy, where of late years she has been in abject poverty. "Under Two Flags" is one of her most popular novels, it having been dramatized.

NEW YORK BANK GOES OUT

NEW YORK, N. Y., Jan. 26.—The National Bank of North America has been closed on account of heavy withdrawals of deposits.

This was the bank that sustained such a long run during the October panic. The last statement of its condition shows it to have capital of \$2,000,000. Net profits \$2,207,000. Deposits \$8,067,000. Loans \$12,000,000. Cash \$555,000. Percentage of reserve 6.9. The failure of the bank indicates that although it withstood a terrific run, confidence was so far destroyed that it could not recover.

MOTHER OF JAPAN'S EMPRESS, DEAD

TOKIO, Japan, Jan. 26.—The mother of the Empress of Japan is dead at the age of eighty.

Three inter-island boats came in yesterday from the various island ports. The Iwaland brought sixteen passengers and a quantity of freight from Molokai. The W. G. Hall came in from Kauai early in the morning with 3830 bags of sugar and 250 bags of coconuts. The steamer Noeun, Captain Onesa, ran into a bunch of bad weather, and had one of her boats capsized and smashed in the surf at Honokaa last Thursday. The Noeun carried 1800 bags of sugar.

The Matson liner Hilonian, which sails tomorrow morning at 10 o'clock, will have the greater part of her freight space occupied by 2400 tons of sugar, 4000 bunches of bananas, 600 bags of rice, and a large shipment of fresh pineapples. She will also have considerable general cargo for the Coast.

The American bark Amy Turner, Capt. Warland, sailed Saturday afternoon for Frisco. She was due to leave some time ago, but was held up on account of her full cargo of sugar not arriving from the other islands. The Marston will take her place at the loading dock.

PRIZES GIVEN AT THE "HOLOKU" DANCE

A "HoloKu Dance" was given by the Kahanahala club at the residence of Mrs. Puhai, Kapiolani Park, last Saturday night. Every lady was dressed in a "holoku." Some wore leis of lilas, forget-me-nots, chrys, and carnations, interwoven with the sweet malle, around their necks and across their breasts. The young men were likewise adorned with leis and the scene was most attractive.

After the dance the following prizes were awarded: Best dressed, first prize, Mrs. Kekaulani Aona; second, Miss Rosie Bush, eleven years old. Most original, first prize, Miss Polly Nowlein Kahookani; second, Miss Bernice Bush.

The judges were Joseph Aca, Jr., Edward Hunt, E. N. G. Jackson, Mrs. Chas. Bailey, Mrs. Chas. Blaisdell. Another dance will be given in the near future.

The big steamship Alaskan, belonging to the American-Hawaiian Steamship Company, will sail from San Francisco on January 6 for this port. She will bring a general cargo down from the Coast, and will load with sugar here for the return voyage.
